All-You-Can-Eat Bratwurst on the grill ala Gary and hospitality galore via Mary, added up to a perfect day in the country. We filled the drive way, conveniently located next to the Wonder Garage, where miraculous automotive transformations take place. After looking over the line-up of projects (including Gary's just re-found High School car), the beautiful pool, waterfall and landscaping, it was time to eat. Midway through the meal. Prez Barbara Thanked the Timm's for their hospitality and made a few announcements - RSVP for the Nov 20 Tour. Pay up for the Christmas Party by Dec 1 & Sign up for the Big 3. The munching resumed without missing a beat.--TS

## Prez Sez

Danke schon!

The weather gods again were watching over us for a perfect Oktoberfest at the beautiful home and grounds of Gary and Mary Timm. A huge thank you goes out to them for all the preparation that went into having a seamless event of that size. On the sidelines were John & Pat, and Tim and Sandy who brought all the drinks and ice, as Gary and Mary were grilling the sausages to a delicious golden brown. The side dishes and desserts were superb with a

nice variety along with our beautiful cars. We certainly have a lot of wonderful cooks in the club, as well as guys who know how to shine them up! And a thank you for all who helped clean- up and break down the tables and chairs.

I thought with the fall, there would be a slowdown of events, but that is not the case. **Nov.17<sup>th</sup>, our next general meeting will be a busy one. Rick Bonnoront will get us revved up with some new additions to the Big 3 sign-ups, Paula will be set up to get your paper work completed for your 2011 membership, and I will be taking your checks for the Dec. 12<sup>th</sup> Christmas Party. Soooooooooooooooooooooooooooooo bring your check book.**

**And then on the 20<sup>th</sup> of the month Ken Tibbot has planned a Bonus Tour, to see Carl's Gallery of Automobilia and Collectibles, then on to the private Ryan Collection, and ending the day with Zorba's Family Dinner and Belly Dance Performance all for around 15 bucks ! What a deal. Be sure you RSVP Ken at (619) 669-0211.**

**Dec 12th Christmas Party Checks & RSVP all due to Barbara Martin by Dec 1... \$30 each member & each Guest. Make checks to, Early Ford V8 Club. Bring Raffle Prizes & Unwrapped Toys For Tots. Also, let's make this years donations to the Scholarship fund a record! New Members wanted. We've topped 200, but there's room for more.**

So since the weather is a changing - put up the top, fill up the tank, and see ya on the 17<sup>th</sup> !!! --Happy Thanksgiving, Barbara

## Eat, Walk, Talk, Gawk & Eat Again.

The Eastern Division AACA National Fall Meet takes place each year during the 1st full week in October. The Hershey Region began hosting the show in 1955 and has done so each year since then. It consists of over 9,000 flea market spaces, over 1,000 car corral spaces, and approximately 1,500 show cars. Each year the show attracts visitors from all over the United States and many countries throughout the world. Some of the most unusual cars and parts can be found at Hershey. If you love antique cars, Hershey is the place to be.

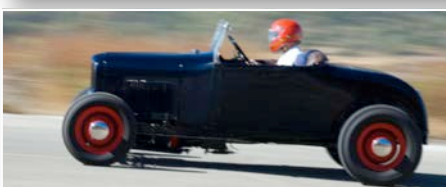

### **Ric Bonnoront, Webb Smith and Dick Martin-with wives Billie, Avalee and Barbara made their annual pilgrimage to Pennsylvania's biggest show.**

Ric tells me, "The weather was near perfect Indian Summer - only one rain shower. Big time cars and parts filled the fields, but less older classics and more 60s - 70s muscle cars than ever before. Used to be hundreds of Fords, now not so many. Parts galore, but less for the older cars. Less grass, more asphalt. I only bought a tail light and a carb for my Plymouth wagon. Dick and Webb bought nothing. We walked too much and ate way too much. And we've already made plans for next year. That's the unexplainable way it is with Hershey". (Apparently Ric did not know the girls were shopping, too. It's all in the mail...) -TS-----

## Four-banger hillclimb

- Devore - on a closed section of old Route 66. Sun, Sept 19, 2010. Look at 'em go!

## You've gotta' love Lucy.

At the height of their TV fame, [Lucille Ball](#) and [Desi Arnaz](#) were contracted by MGM to make their first film - [The Long, Long Trailer](#), stars Lucy, Desi and a brand new, hard working **1953 Mercury Convertible**. As the young couple prepares to be married, Lucy decides they should buy a little 'home on wheels' for their upcoming honeymoon. However they quickly find the small ones are too small. Lucy bats her eyes and talks Ricky into the largest trailer on the lot (a 40-foot long 1953 New Moon, which costs \$5,345 -- five times what they had budgeted ). **In addition they have to buy a more powerful car to tow the monster - The 1953 Mercury Monterey convertible with it's 125 HP flathead V8 engine is chosen. Desi is almost undone, mopping his brow, as he sinks under the weight of the debt. He trades in his '39 Mercury convertible for a \$400 allowance, still leaving a \$1,300 balance due on the Merc. Of course he also needs the special heavy duty frame hitch, so the money continues to mount up.** The honeymoon trip turns out to be a slapstick disaster, beginning when they must back into the In-Laws driveway, taking out the shade trellis and prize roses. Finally, Because of Lucy's foolish decision to hide a heavy rock collection in the trailer; as Desi tries to maneuver a treacherous mountain road, the overloaded home-on-wheels nearly pulls the Mercury off a cliff. When Desi discovers the rocks, the marriage hits the skids.

The story is told in flashback, as Desi 'splains the breakup of his marriage to a motel court manager. Happily, Lucy shows up, goes "Waaaaah", and all is forgiven. Despite the fact that audiences were getting Ball and Arnaz for free each week on television, [The Long, Long Trailer](#) was a big hit at the box-office. **The traffic jams alone are worth a look. Drivers in cars and trucks from the 40's and 50's lean on their horns, laugh, point and hoot as they worm their way past Desi and Lucy who are unaware of the over-the-top 'Just Married' signs on the back of their 40' behemoth attached to the rear bumper.** (The photos are of a nearly identical '52 Merc.)-----TS

## Huge Success!

Over 250 cars registered. Hotels sold out. 700 members at the banquet dinner. The SD group included Jerry Windle, Dan Prager, Dan & Bonnie Krehbiel, Gary Huckins, Frank & Loyce Swedberg, Gil Buxton, Ken Tibbot, Gary & Karen Walcher, Carroll & Marlene Dupriest, Jim Hurlbert, Dave Huhn, Dean & Ina Wakefield, Tom & Barbara Keck, Jay & Janet Harris, John & Margaret Connelly, Bud Williams (I'm sure I missed a few). Palomar sent an even bigger group. A special plaque was presented to the SD Regional Group. But no one stood to accept it, so Jerry made the trip to the podium on our behalf. Jay Harris organized a Zion Tour & over 200 cars showed up (a 2 mile line) - enough that the St. George cops had to escort the bunch to the park & back. Cars were beautifully organized by year on the grass concourse. Most miles one way was won by a rusty '50 Ford Coupe from West Virginia (2800 mi). Dan Praeger received Best Touring Sedan Award for his '40 Mercury. The Hilton Hotel was 4 star at 2 star prices. Dan Krehbiel (who won a Dearborn) says, "The Western National was well run & lots of fun."

## Idling around Idyllwild.

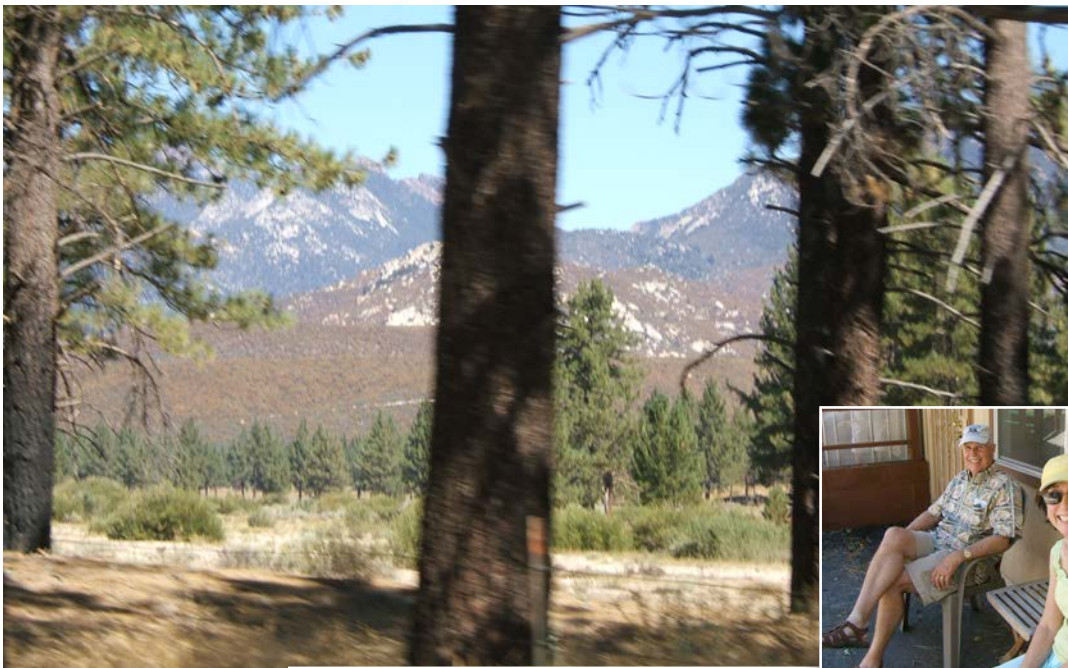

Sun, Sept 26--22 V8ers gathered in Temecula. Jay & Janet led Fords from the Palomar & San Diego Groups out of the sweltering valley to the

mile-high town of Idyllwild- a small country village nestled in the San Jacinto mountains among tall pines, sweet smelling cedars and legendary large rocks. Despite the switchback road and steep climb, all flatheads ran cool. (And the hot rods made it, too). At 5,300 feet, the air was cooler by 20 degrees.

And as usual, Jay & Janet had done their homework by picking a great outdoor BBQ place - featuring singer Jerome Robinson- the last of the original Platters (We called him, 'The Platter...')

But he has recently been dubbed 'The Voice of Banning'). While we chowed down, he put on a great show, singing Platter hits and impersonating other singers from Elvis & Lou Rawls to Eta James & Dinah Washington. Jay, ever the opportunist, grabbed the moment to get an autograph on an original album.

Cont. on next page

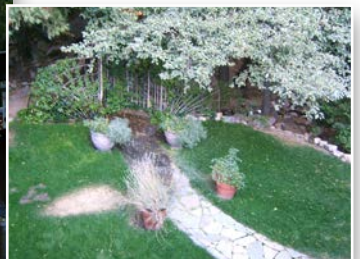

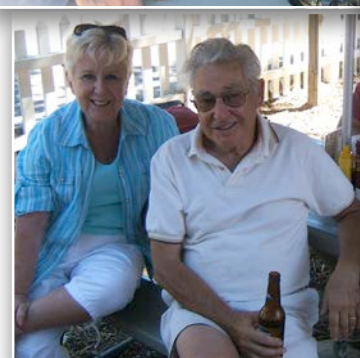

Car & motorcycle clubs, honeymooners and tourists frequent the little town - shopping for cowboy boots, kicking back in the hotels and enjoying a wide variety of fine restaurants.

We chose the Creek House for dinner on the deck overlooking a creek-side photo opportunity. It was a beautiful evening - plenty of laughs and sparkling conversation.

In the morning, after a hearty breakfast and walk around town, we said farewell and headed down the mountain. The morning radio brought us only bad news about the record heat awaiting us below... 114 in Hemmit, 113 along the 15 corridor.

"We're melting out here..." groaned a DJ from LA." The air from the vents went from cool to blast furnace. And arriving home two hours later, we were stuck to the seats vowing never again to take an old Ford into a heat wave.- TS
